

CHILDREN'S ONLINE PRIVACY PROTECTION (COPPA)

Parental Consent Process

1. FFA advisors will provide a copy of the COPPA Parental Consent form to the parents of all students under the age of 13. The form can be downloaded from www.ffa.org/privacypolicy.
2. The student's parent(s) or guardian(s) will sign the completed form and return it to the FFA advisor.
3. The FFA advisor will send the form(s) to the Membership Department at the National FFA Organization (toll-free fax: 888-332-3282, email: privacy@ffa.org, hardcopy mail: "Attn: Membership").
4. Once received, the Membership Department will notify the local advisor via email that the form for specific students has been received. The notification will list the name of each student for whom a completed form has been received.
5. The FFA advisor may then begin the roster and Agricultural Career Network invitation process for those students.
6. The Membership Department will file a scanned copy of the form in a specific library that is accessible by the compliance officer and staff with membership responsibilities.

Do not enter any information for any students under the age of 13 until you have obtained parental consent via the Children's Online Privacy Protection Act (COPPA) Parental Consent form (include link that opens in a new window to www.ffa.org/privacypolicy). After receiving the completed parental consent form, you will need to forward that form via email, fax or regular mail to the National FFA Organization Membership Department. Upon receipt of the form, the Membership Department will send you a reply message indicating that you can create the student membership account for the minor.
