

Thank you TFC!

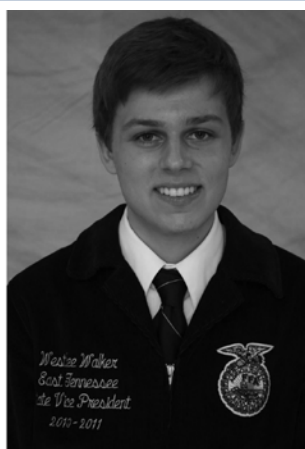

2011 "Farmers' Knife"

CO-OP's long standing support of 4-H and FFA continues with the 2011 edition of the commemorative knife program in cooperation with W.R. Case and Sons Cutlery. This year's knife is a popular two-blade, red-bone peach-seed, jig handle trapper that was formerly known as the "farmers' knife." It is now available at local CO-OP stores across the state. Thank you for the \$25,000 donation split evenly between the FFA and 4-H Foundations.
