

Equine Science – Placement

Sponsored By: TN Walking Horse Breeders and Exhibitors

Purpose: This award area provides insights into horse production, breeding, marketing, showing and other aspects of the equine industry. Programs may also include calf roping, barrel racing, rodeo, racing, riding lessons and therapeutic horseback riding if horses are owned and/or managed by the member. This area is for those students who have a placement program.

Background: Equine production for profit and pleasure continues to be an important industry in Tennessee. Tennessee is one of the leading states in the number of horses.

Visibility: The sponsor of this award will be recognized in the following ways:

- ✓ Immediate press release recognizing the new partnership.
- ✓ Statewide recognition at the state FFA Convention in front of 2500 FFA members.
- ✓ Statewide media recognition through press releases in agricultural publications.
- ✓ Name of sponsor on plaques received by FFA members.
- ✓ Up to thirty applicants statewide annually.

Budget: The annual cost of this three-year commitment is \$500.00. This amount of support each year will provide for cost of award plaques with sponsor's name on each of three regional levels and on the statewide level and cash awards.

Expected Results: This partnership will generate added interest and excitement in this award area. Through this increased interest more students will focus their skill development in the area of Equine Science.
